

**Sister Luck**  
**The Black Crowes**

this is how I play sister luck. Unknown if it s right but it works for me. It simple using bar chords.

<b>F</b>	<b>C</b>	<b>Bb</b>	<b>D</b>
X	X	X	X
X	X	X	X
2	5	3	7
3	5	3	7
3	3	1	5
1	3	1	5

INTRO: C Bb C Bb C Bb F

F C Bb X 4 with SOLO

SOLO: done twice, and add ending to solo after second time

**F** C Bb  
worried sick my eyes are hurting

**F** C Bb  
to rest my head I ll take a life

**F** C Bb  
outside the girls are dancin, Cause when you re

**F** C Bb  
down it just don t seem right

**F** C Bb  
feelin second fiddle to a dead man

**F** C Bb  
up to my neck with your disregard, like a

**F** C Bb  
beat dog that s walkin on the broadway

**F** C Bb Bb C D  
no one wants to kick you when you re down

CHORUS:

**D**                    **C**                    **Bb**                    **Bb C D**  
sister luck is screaming out somebody else s name  
**D**                    **C**                    **Bb**  
sister luck is screaming out somebody else s name

**F**            **C**            **Bb**    X 2 with solo once

**F**                    **C**                    **Bb**  
a flip of a coin might make a head turn

**F**            **C**                    **Bb**  
no sur-prise, who sleeps

**F**            **C**                    **Bb**  
held my hand over a candle, the

**F**                    **C**                    **Bb**            **Bb C D**  
flame burned but I ll never weep

CHORUS X 2

**F**    **C**    **Bb**    X 4 with solo and then fade

WELL THERE IT IS ENJOY!
