

**Gone Going**  
**The Black Eyed Peas**

This is my first tab. Hope I don't mess this up. This song is the same as Jack Johnson's Gone, just remixed with the Black Eyed Peas.

Verse 1

**Eb G Cm G#**

Johnny wanna be a big star  
Get on stage and play the guitar  
Make a little money  
buy a fancy car  
Big old house and an alligator  
Just to match with them alligator shoes  
Hes a rich man so hes no longer singin the blues

**Fm**

Hes singing songs about material things

**Bb**

and platinum rings and watches that go bling

**Eb G Cm G#**

But, diamonds don't bling in the dark  
He a star now, but he aint singing from the heart  
Sooner or later hes just gonna fall apart  
Coz hes fans can't relate to his new found art  
He ain't doing what he did from the start  
and thats -----?

**Fm**

He decided to live his life shallow

**Bb**

Passion is love for material

chorus

**Eb Bb C G#**

And its gone..gone..going..  
gone..everything gone..give a damn..  
gone be the birds when they don't wanna sing..  
gone people..up awkward with their things..  
Gone.

Same throughout the song. It is nice song. If I am wrong somewhere, please tell me.
