Boy I think about it every night and day
I m addicted wanna jump inside your love
I wouldn t wanna have it any other way
I m addicted and I just can t get enough
I just can t get enough
I just can t get enough
I just can t get enough
I just can t get enough
Honey got me runnin like I m flow joe
Signs her name on my heart with an X-O
Love s so sweet got me vexed oh
I wanna wish it right back like presto, yes
Meantime I wait for the next time
She come around fore I toast to the best time
We all the while back and forth on the text line
She got me fishin for her love I confess I m
Somethin bout her smile and that combo
Got me high and I ain t comin down yo
My heart s pumpin out louder than electro
She got me feelin like Mr. Roboto
Oh baby I can t come down so please come help me out
You got me feelin high and I can t step off the cloud
And I just can t get enough
Boy I think about it every night and day
I m addicted wanna jump inside your love
I wouldn t wanna have it any other way
I m addicted and I just can t get enough
This is mega switch up
I just can t
Not
Sunk in your bed rock
Caught
Up in your love shock
Knocked
Out by your cold shot
I m stuck in your head li-

Can t get out won t when
Makin me feign, give it to me
I want it all, know what I mean
Your love is a dose of ecstasy
Addicted
I can t get
Away from
You
Afflicted
I need it
I m missin
I want your lovin right next to me
And I can t
Erase ya out of my memory
