One Tri...

One Tri...

One Tribe, one time, one planet, one race

It s all one blood, don t care about your face

The color of your eye or the tone of your skin

Don t care where ya are

Don t care where ya been

Cause where we gonna go

Is where we wanna be

The place where the little language is unity

And the continent is called Pangaea

And the main ideas are connected like a spear

No propaganda, They tried to upper hand us

Cause man I m loving this peace

Man, man, I m loving this peace

Man, man, I m loving this peace

I don t need no leader

That s gonna force feed a

Concept that make me think I need to

Fear my brother and fear my sister

And shoot my neighbor or my big missile

If I had an enemy to {enemy}

If I had an enemy to {enemy}

If I had an enemy, then my enemy is gonna try to come and kill me

Cause I m his enemy

There s one tribe ya ll

One tribe ya ll

One tribe ya ll

One tribe ya ll

We are one people

Let s cast amnesia, forget about all that evil

Forget about all that evil, that evil that they feed ya

Let s cast amnesia, forget about all that evil

That evil that they feed ya

Remember that we re one people

We are one people

One people, one people {One People}

One people, one people {One People}
One people, one people {One People}

One tribe, one tribe
One tribe, one time, one planet, one {race}
Race, one love, one people, one {and}
Too many things that s causing one {to}
To forget about the main cause
Connecting, uniting
But the evil is seen and alive in us
So our hopes are colliding
And our peace is sinking like Poseidon
But, we know that the one {one}
The evil one is threatened by the sum {sum}
So he ll come and try and separate the sum
But he dumb, he didn t know we had a way to overcome
Rejuvenated by the beating of the drum
Come together by the cycle of the hum
Freedom when all become one {one}
Forever

One tribe ya ll
One tribe ya ll
One tribe ya ll
We are one people
Let s cast amnesia
Forget about all that evil {evil}
Forget about all that evil {evil}
That evil that they feed ya
Let s cast amnesia
Forget about all that evil {evil}
That evil, that they feed ya {feed ya}
Remember that we re one people
We are one people
One people, one people {One People}
One people, one people {One People}
One people, one people {One People}

One love, one blood, one people
One heart, one beat, we equal
Conected like the internet
United that s how we do
Let s break walls, so we see through
Let love and peace lead you
We could overcome the complication cause we need to
Help each other, make these changes
Brother, sister, rearrange this
The way I m thinking that we can change this bad condition
Wait, use you mind and not your grid
Let s connect and then proceed
This is something I believe
We are one, we re all just people

One tribe ya ll
One tribe ya ll
One tribe ya ll
We are one people
Let s cast amnesia
Forget about all that evil
Forget about all that evil, that evil that they feed ya
Let s cast amnesia
Let s cast amnesia, forget about all that evil
That evil, that they feed ya
We re one tribe ya ll
We people, we people
One tribe ya ll
One people, one people {One People}
One people, one people {One People}
One people, one people {One People}
One people, one people {One People}
One people, one people {One People}
One people, one people {One People}

Let s, let s cast amnesia
Lord help me out
Trying to figure out what it s all about {what it s all about}
Cause we re one in the same {one in the same}
Same joy, same pain
And I hope that you re there when I need ya
Cause maybe we need amnesia
And I don t wanna sound like a preacher
But we need to be one

One world, one love, one passion
One tribe, one understanding
Cause you and me can become one
