This isn t much of a guitar song, but still very fun to play around with

Bm **Em** **A** **D**
If the sky burns then we ll take turns holding back the blue.

Bm **Em** **A** **D**
If the feel falls off and see saws we ll stick the sails with glue.

Bm **Em** **A** **D**
Couldn t be no better, no matter how high.

Bm **Em** **A** **D**
Let me take you there, drink in the moonlight.

G **Em** **A** **D**
If I tell you that I love you, look me in the eye.

G **Em** **A** **D**
If I write it in a letter, read between the lines.

G **Em** **A** **D**
If you drop this better, girl you ll make my day.

G **Em** **A** **D**
Should ve known better, water will find a way.

Bm **Em** **A** **D**
If the truth hurts, dead computers, dancing in the lane.

Not 100% on the lyrics but close enough.
