A Light So Dim

F#m **C#m** **F#m** **C#m**
There are no trains that leave from the maze
F#m **C#m** **F#m** **C#m**
My only chance was a ship to escape
 F#m **C#m** **F#m** **C#m**
If you are the light house in the storm
F#m **C#m** **F#m** **C#m**
I ll be the ship with a thousand dead souls
F#m
How long will they believe in a light so dim

F#m **C#m** **F#m** **C#m**
Down in the gallows the darkness glows
 F#m **C#m** **F#m** **C#m**
It was hard to see in the hearts of them
F#m **C#m** **F#m** **C#m**
If you see a light call down below
F#m **C#m** **F#m** **C#m**
I ll be moving and sorting out our fears
F#m
How long will we believe in a light so dim
F#m
Cause time is all we have so make the time

F#m **C#m** **F#m** **C#m**
Throw down the line I ll see to climb
F#m **C#m** **F#m** **C#m**
If it s held close it may just work
F#m **C#m** **F#m** **C#m**
If you are the light house in the storm
F#m **C#m** **F#m** **C#m**
I ll be the ship filled with a thousand dead souls
F#m
And time is all we have so take the time
F#m
To make the time and make time to take the time
