A Light So Dim The Black Heart Procession

A Light So Dim

F#m C#m F#m C#m

There are no trains that leave from the maze

F#m C#m F#m C#m

My only chance was a ship to escape

F#m C#m F#m C#m

If you are the light house in the storm

F#m C#m F#m C#m

I ll be the ship with a thousand dead souls

F#m

How long will they believe in a light so dim

F#m C#m F#m C#m

Down in the gallows the darkness glows

F#m C#m F#m C#m

It was hard to see in the hearts of them

F#m C#m F#m C#m

If you see a light call down below

F#m C#m F#m C#m

I ll be moving and sorting out our fears

F#m

How long will we believe in a light so dim

F#m

Cause time is all we have so make the time

C#m F#m Throw down the line I ll see to climb F#m C#m F#m C#m If it s held close it may just work C#m F#m C#m If you are the light house in the storm C#m F#m C#m I ll be the ship filled with a thousand dead souls And time is all we have so take the time F#m

To make the time and make time to take the time
