A Light So Dim

**Gm**                    **Dm**                    **Gm**                    **Dm**  
There are no trains that leave from the maze  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
My only chance was a ship to escape  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
If you are the light house in the storm  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
I ll be the ship with a thousand dead souls  
**Gm**  
How long will they believe in a light so dim

**Gm**                    **Dm**                    **Gm**                    **Dm**  
Down in the gallows the darkness glows  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
It was hard to see in the hearts of them  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
If you see a light call down below  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
I ll be moving and sorting out our fears  
**Gm**  
How long will we believe in a light so dim  
**Gm**  
Cause time is all we have so make the time

**Gm**                    **Dm**                    **Gm**                    **Dm**  
Throw down the line I ll see to climb  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
If it s held close it may just work  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
If you are the light house in the storm  
**Gm**                    **Dm**                    **Gm**                    **Dm**  
I ll be the ship filled with a thousand dead souls  
**Gm**  
And time is all we have so take the time  
**Gm**  
To make the time and make time to take the time
