

10 Lovers

The Black Keys

[Intro] **Dm C Gm Am A**

[Verso]

Dm

When I hear them use your name

C

I get all choked up inside

Dm

It s not only from the shame

C

It s like 10 different lovers died

Gm

Except you re still just a mile away

Am

A

But there s nothing left to say

[Refrão]

Dm

Don t leave us not in love again

C

Cause we might break instead of bend

Gm

I felt a little strain in the pouring rain

Am

A

It washed away most everything

[Verso]

Dm

If I found another love

C

They must be forever true

Dm

Cause if someone breaks this heart

C

Your old man right here is through

Gm

Heaven just seems so far away

Am

A

When there s nothing left to say

[Refrão]

Dm

Don t leave us not in love again

C

Cause we might break instead of bend

Gm

I felt a little strain in the pouring rain

Am

A

It washed away most everything

[Ponte] **C G F Am A**

[Refrão]

Dm

Don t leave us not in love again

C

Cause we might break instead of bend

Gm

I felt a little strain in the pouring rain

Am

A

It washed away most everything

Dm

Don t leave us not in love again

C

The little girl can t comprehend

Gm

She had another dream that her mama s gone

Am

A

She s alright, but you re all wrong

(**Dm C Gm Am A**)

(**Dm**)
