

**Oceans And Streams**  
**The Black Keys**

Capo 2

**Em Am Em x2**

**Em**

With guilt that no man should carry

**Am**

Heavy enough for me to get buried

**Em**

I feel death on the road tonight

**Am**

It s got me to where I wanna run and hide

**Bm**

Oh, I used to dream

**Am**

Of oceans and streams

**Bm**

Flowing and growing strong

**Am**

Where have all those days gone?

**Em Am Em x2**

**Em**

These days I m so slow

**Am**

All those thoughts and nowhere to go

**Em**

My aim it used to be so true

**Am**

My world had a place in it darlin , just for you

**Bm**

Oh, I used to dream

**Am**

Of oceans and streams

**Bm**

Flowing and growing strong

**Am**

Where have all those days gone?

**Em Am Em**

Solo

**Em**

Scuse me, now, I gotta go

**Am**

Can t stand to be here anymore, no

**Em**

I m sick and I gotta go to bed

**Am**

If I stay now, I m better off dead

**Bm**

Oh, I used to dream

**Am**

Of oceans and streams

**Bm**

Flowing and growing strong

**Am**

Where have all those days gone?

**Em Am Em x4**
