Tuning: Standard

Notes: There's a lot of production on this song, but it sounds like only two chords,

Ab major with a change to the minor 2nd

Chords:

Ab major - 466544

Bb minor - 688666

**Ab**

It happened when I heard her name

**Ab**

Same old thoughts crept back again

**Bbm**

Oh and grew, they grew

**Ab**

Somewhere in my sorry state

Lightning struck that old iron gate

**Bbm**

It's true, yes it's true

**Ab**

The snow and cold, the winter wind

**Ab**

Smacks you on your cheeks again

**Bbm**

And it stings, oh it stings
