

Sinister Kid
The Black Keys

Intro (**Em Bm Am** in rhythm with the bass)

Em (palm mute) **Bm** (Bend down entire chord)
Well, the crooks are out
And the streets are gray
You know I wouldn't have it
Any other way, yeah

Em (palm mute) **Bm** (Bend down entire chord)
Your mother's words
They're, they're ringing still
But your mother
Don't pay our bills, yeah

Em **Bm** **Am** **Em**
A sinister kid, is a kid who
Em **Bm** **Am** **Em**
Runs to meet his maker
Em **Bm** **Am** **Em**
A drop dead sprint from the day he's born
Em **Bm** **Am** **Em**
Straight into his maker's arms

Em **Bm** **Am** **Em**
And that's me, that's me
Em **Bm** **Am** **Em**
The boy with the broken halo
Em **Bm** **Am** **Em**
That's me, that's me
Em **Bm** **Am** **Em**
The devil won't let me be

Em (palm mute) **Bm** (Bend down entire chord)
I got a tortured mind
And my blade is sharp
A bad combination
In the dark

Em (palm mute) **Bm** (Bend down entire chord)
If I kill a man
In the first degree
Baby, would you
Would you flee with me?
