[Verse]
( RZA is speaking a rap here )
Not bad meaning bad, but I m bad meaning good
Say my name three times, and you knock on wood
Candyman hooks, I ll terrorize your hood
Flashing macs on a cop, the way a gangster should
I snatch food from the mouth of a tiger
Take a gasoline bath, then I ll walk through fire
Bear hug a grizzly, suck milk from a titty
Take the sergeant hat from his head and use it for a Frisbee
Spit in a crocodile s face, have a menage a trois with two female apes
Then sleep in the barrel of butcher knives
I drink honey, straight from the bee hive
Bungee jumping off the Empire State, butt naked
Rollerblade across the Golden Gate, butt naked
With the baddest man alive, and I don t plan to die
When the grim reaper come out, look him right in his eye
I ll bust off in the face in the witch of the east
Tell a great white shark to go and brush his teeth
Hehehe, I m the man who stole the golden fleece
And I ll date rape Beauty right in front of the Beast
Dm
    The baddest man alive, and I don t plan to die
Αm
    Come on, somebody
[Chorus]
