[Verse 1]

```

C                F
tell me where you re goin
      C                F
or what is going wrong
C                F
I felt you leavin
      C                F
before you d even gone
C                F
hold me now
                C                F
or never ever hold me again
C                F
no more talk
                C                F
can take me from this pain I m in
G      F                C
                (pain i m in)

```

[Verse 2]

```

C                F
see the moonlight shinin
C                F
on your window pane
C                F
see it leave you
      C                F
as faithful as it came

```
