Oh oh ooh Oh Oh ooh...

D **G**
We had the best years of our lives,
Bm **G**
But you and I would never be the same,
D **G**
September took me by surprise,
Bm **G**
And I was left to watch the seasons change.

D G Bm G
Oh oh oo Oh Oh oo...

D **G**
It s been so quiet since you re gone,
Bm **G**
And everyday feels more like a year
D **G**
Sometimes I wish I could move on,
Bm **G**
The memories would all just disappear.

Asus4
So many things I should ve
G
Said when I had the chance,
Asus4 **G** **A**
So many times we took it all for granted.

D **G**
I d never thought this could ever end,
G
I d never thought I d lose my best friend,
Bm
Everything is different now,
G
Can we stop the world from turning?
D **G**
I d never thought I d have to let you go,
G **Bm**
I d Never thought I d ever feel this low,

G **A** **D**
