All That We See - The Black Ryder

Website: <http://www.theantimachinemachine.com/>

Myspace: <http://www.myspace.com/theblackryder>

Intro: **Am, C, G, D**

Verse: **Am, C, G, D**

All that we see is all that we think about
And all these thoughts are better left unsaid
Tell me the words that they only dream about
And everything that holds you

Chorus: **D, C, G**

You ll never know that I just wanna feel this
I ll stop when I should go
I ll find my way to you

Verse: **Am, C, G, D**

All that we see is all that we think about
And all these thoughts are better left unsaid
Tell me the words that you only dream about
And everything that holds you

Chorus: **D, C, G**

You ll never know that I just wanna feel this
I ll stop when I should go
I ll find my way to you

Outro: **Am, C, G, D**
