Sons Of The Sea

**Em** **D**  
Down in the deep Two brave mariners sleep Sons of the sea.  
**E** **D**  
Comrades in arms With renegade charms ,Forever free  
**F** **G**  
No matter what cost, storms never tossed up a rivalry  
**F** **G**  
Brothers in blood through fire and flood, ice and ivory  
**Em** **F**  
Beat the drum, fight back the tears in your eyes  
**Em** **D**  
High seas come, take the best years of our lives  
**Em** **D**  
Winds sang the tale how the pair put to sail Bound for the cape  
**Em** **D**  
Caught in a swell Sent from Lucifer's hell No great escape  
**F** **G**  
Trapped below decks Up to their necks Heroes laugh at the sea  
**F** **G**  
Down with all hands Wrecked in the sands of eternity  
**Em** **F**  
Beat the drum, fight back the tears in your eyes  
**Em** **D**  
High seas come, take the best years of our lives  
**Em** **F**  
Beat the drum, fight back the tears in your eyes  
**Em** **D**  
High seas come, take the best years of our lives
