White crosses :

INTRO:

D# G# D# G# D# G# (A#-G#-D#) X3

A# G# D#

We march upon the ground where you battled so well

A# G# D#

The last salute you gave me has brought you to hell

D# G# A#

Your memory is in our heart your courage in our soul

G# A#

With you as our captain there are so many goals

D# G# D# G#

White crosses all around you as they play the last post

D# G# (A#-G#-D#)

The war drums have silenced as they take you down below

A# G# D#

The battle may be lost but weâ€™re still holding fast

A# G# D#

Weâ€™re leaving all the bad thing that are gone in the past

D# G# A#

Let the other frontier know as weâ€™re banging on their door

G# A#

That we are not afraid to claim what is ours

D# G# D# G#

White crosses all around you as they play the last post

D# G# (A#-G#-D#)

The war drums have silenced as they take you down below
