C#m   Bb   F   G
Give up Give in cause you know you ll never
C#m   Bb   F   G
become something you re just the same as ever
C#m   Bb   F   G
you won t fit in that s just how it goes
C#m   Bb   F
breathe in walk out will anybody ever know

C#m
though you may find it hard to shine
F
when every turn you take is light
          G   **C#m**
with the fear of never making it alive

Woah!

Chorus:

```
   C#m
Never give in
 F                    C#m              D3 Eb
hope is all we have and all we ve ever known
   C#m
Never fear it
  F                   C#m                    Eb
but you gotta hear me out and scream it out loud

Verse 2

    C#m        Bb           F           G
We will be brave always standing proud
    C#m        Bb         F      G
We will sing off always shout it loud
    C#m       Bb           F           G
We can be strong when it all comes down
    C#m       Bb          F              G
We won t move on, we will always stick around

   C#m
Though you can find it hard at times
F
when everyone you see is blind
       G                          C#m
to the hopes that you still feel inside

hope is all we have and all we ve ever known
   C#m
Never fear it
  F                   C#m                  D3 Eb
but you gotta hear me out it s all we ve ever known
   C#m
Never give in
```

```
  F                              C#m                    D3 Eb
hope is all we have and all we ve ever known
    C#m
Never fear it
    F                              C#m                        Eb
but you gotta hear me out and scream it out loud
```
