

**First Girl To Leave Town**  
**The Blizzards**

I was disgusted this song wasnt here so i had a go at it myself  
dont be too harsh - i tried!

Standard tuning

No Capo

Enjoy

Molly

**Em C**

I just heard , your leaving ,

**G D**

One last soul to call a friend one last night in my weekend

**Em**

Yeah

**Em C**

I questioned your reasons

**G**

Im not one to give advice

**D**

Tell you how to live your life

**Em**

I say hey (hey )

**C**

Theres nothing there for you but pain and fear

**G**

Live on the crest of chasing fame

**D**

Where no one knows ur face and no one knows your name

**Em**

I said hey

**Em C**

Well I hope I didnâ€™t let you down

**G**

Well we all want whats best for you

**D**

I just hope that youâ€™ve thought this through

Chorus

**Em C**

Well I never really thought that you would ever leave this town

**G D**

Cause your not the kinda girl to ever let us down

**C D G**

But if you decide to leave please take me to new york with you

**Em**

**C**

And all your final leaving words will be missed

**G**

and ill take your hand when you leave

**D**

and ill chase my words so I cant speak

**Em**

Yeah

**EM**

We both know we had a chance

**C**

We chose faith instead of sense

**G**

And we all know the truth

**D**

That new york girl she loved you

**EM**

Hey

**C**

And I envy what u wish to do

**G**

To leave this town and make a life

**D**

Get your name in neon lights

**EM**

And I say hey (HAY)

**C**

And the City it wont wait for you

**G**

It crushes peoples souls

**D**

Keeps the devil on his toes

Chorus

**G , D**

New

**Em , C**

York

York

**Em**

Oh we all came out to see the

**C**

Queen of town got up to leave

**G**

The last time we will ever see

**D**

Leave this place is history

**Em**

Took me by the hand and she said

**D**

Come with me my friend
