Oh we were young and free
We had things they, they couldn t even dream about
The fields were the greatest things I ever, ever saw and more
I ever saw in this whole world
All dressed up and no place to go
Always somewhere we can t go
You and I just sat down there
All we did was sit down there.

Chorus :

Am G Am G

(same chords)

The lorries that drive by now keep me awake

They've kept me awake for far too long

Long distance travel wears me out

Long distance travel tires me

Their sound is a sound I know too well

Every day gets a little longer

Talk talk talk and talk some more

You and I just sat down there

All we did was sit down there.

And why, never saw, never knew ?

Why, didn't me, didn't you ?

Why, never saw, never knew ?

Why ?

Am G Am G
