	Why so up in arms?					
D		Bm		C		A
	It s only your lover s sympathies, his misdirected charms					
D		G	D			G
	That keep you angered and upset, that keep you in alarm					
D		Bm		C	A	D
	But I see it s still your practice to hold him in your arms.					C A D

	Love come round and let me see					
	A	D		G		

That a love unbound is a dangerous territory

Your lips are like hers when she grins

But your skin is like no other skin

C A D C A D
I've ever felt or ever will.
