

Famous
The BlueBirds

G
I used to be little girl, big piano
Am
Trying to hit the right notes what did I know
C **G**
Staring at the Hollywood stars on MTV
G
I used to sing in church and karaoke
Am
Living on a prayer just like Bon Jovi
C **G**
Loving every minute cause the music set me free

D
So don t break it
Am
All our kitchen table dreams
G **D**
All our pinky promises we swore we d keep

Cause if we make it
Am
With our crazy teenage schemes
G **D**
Say it will be like it used to be

G
I don t wanna be famous
Am
I don t wanna be pretty
Em
If I have to walk this road alone
D **C**
If you can t walk it with me
G
I d rather be here nameless
Am
Staring at the city
Em **D**
Chasing every dream we have
C **G**
Just say you ll chase ~m with me

G
Backstage door, hands are shaking
Am

Chances here for the taking

C

G

See how far we've come on these high heels

D

Cause if we make it

Am

With our crazy teenage schemes

G

D

Say it will be like it used to be

[Chorus]

A C

All I need

G

Someone's there with me

D

To share these melodies

A7 C

All I need

G

Someone's there with me

D

To share these nights

A C

All I need

G

Someone's there with me

D

To share these melodies

A7 C

All I need

G

Someone's there with me

D

To share these nights
