**F#** **C#**  
How in the world will i make it to work in the morning?  
**F#** **C#**  
i ve been drinking since we clocked out and now it s 4am  
**F#** **C#**  
But they re such a generous couple alfredo and pauline,  
**F#** **C#** **F**  
When they offer a late night session, you don t want to offend.

**Bbm**  
The shutters come down  
(**Bbm**)  
and thats what they re for  
**Eb**  
we dont want to invite in the law  
**(Eb)** **F#** **C#**  
It s not often the case that we re forced to sacrifice the jukebox.  
**F#** **C#**  
But the plug always has to be pulled on the quiz machine  
**F#** **C#**  
So you imbibe all you can cos you re partaking in something forbidden  
**F#** **C#** **F**  
And time after time you ll wake up face down in the latrine.

**Bbm**  
We speak in hushed tones  
(**Bbm**)  
And dim down the lights  
**Eb**  
we re staying after hours tonight

**F#** **C#**  
Lord only knows what kind of poison i m drinking I can t read the label  
**F#** **C#** **F**  
So i ll just dance off my cares like Fred Astaire up here on the table.
