[verse]

A **E** **F#m**
if you get out before September
C#m **D** **A**
remember that I m still inside
B **E**
but I m dry I m dry
A **E** **F#m**
and you when you try to make a difference
C#m **D** **A**
you re so different and then I try
B **E**
and just die I die
A **E**
she knows that I need
 F#m
you more than I want ya
C#m **D**
but I want ya for all time
A
so I m I guess on the line.

[chorus]

D **A**
its all that I can do to sing-these stupid songs to you
D **A**
I give up half my time just trying-to think up words that rhyme
D **A** **F#m**
I aint getting any younger but you wouldn t know
G **E**
so its on with the show

[verse]

A **E** **F#m**
 Some times a smoke a drink and a ponder
C#m **D**
 can work wonders when you re down
A **B** **E**
 takes your frown turns it round around
A **E** **F#m**
 and you when you try to make a difference
C#m **D** **A**
 you re no different than when I try
B **E**
 and just die I die
A **E** **F#m**
 and now that your day dream is forgotten
C#m **D**
 and forgiven and the world
A
 has been saved be brave

[chorus]

D **A**
 its all that I can do to sing these stupid songs to you
D **A**
 I give up half my time just trying to think up words that rhyme
D **A** **F#m**
 I aint getting any younger but you wouldn t know
G **F#m**

G **F#m**
 and i never ever ever really showed my face
G
