Teenage Jesus by The Bluetones
Tabbed by Mike McConnell

A , Bm , C#m , D

I knew a teenage Jesus.
He was a friend of mine.
He gave me all the answers, he fed me bread and wine.
Me and the other disciples, we understood his mind.
He had so many secrets.
He had such little time.

E , D

And Iâ€™ll keep in my head all the words that he said.
And Iâ€™ll keep in my heart all his love.
And Iâ€™ll be at his side in just a while.
I knew a teenage Jesus.

I brought him to the dream.
He had the coolest sandals that I have ever seen.
â€œI want to be like you.â€•
I said â€œI want to be a star.â€•
He took my hand in his hand and said â€œYou already are.â€•

And Iâ€™ll keep in my head all the words that he said.
And Iâ€™ll keep in my heart all his love.
And Iâ€™ll be at his side in just a while.

Hallelujah.
Um and hallelujah.
Hallalujah.
Um and Hallelujah.

Iâ€™ll keep in my head all the words that he said.
And Iâ€™ll keep in my heart all his love.
I said Iâ€™ll keep in my head all the words that he said.
And Iâ€™ll be at his side in just a while.
Happy Birthday Jesus.
