Tennessee nights in the trailer                      off to the scene of the crime

Chorus:

**C#**  
Hollywood nigts in the gutter  
**G#**                      **F#**  
back at the scene of the crime  
**C#**  
vultures above in a battle  
**G#**                      **F#**  
action deluxe burning bright

Verse 1:

**F**                      **F#**  
We are the black belt drinkers shooting from the hip  
**C#**                      **G#**  
and the baseball bat that swings you straight to hell  
**F**                      **F#**  
a bunch of red eyed creatures crawling on your bed  
**G#**              **F#**              **G#**  
from the front seat, a solid beat

Bridge:

**C#**                      **Eb**  
What goes around comes around  
**F#**  
another touchdown of your life  
**C#**                      **Eb**  
when everything starts thumbling down  
**F#**  
another cruise out of your life  
**C#**                      **Eb**  
when everything starts falling apart

**F#** **G#**  
a shooting star right by your side

Chorus

Verse 2:

**F** **F#**  
We are the faces on a thirteen dollar bill  
**C#** **G#**  
and the crow's feet on your Friday night crusade  
**F** **F#**  
throwbacks sneaking just outside the pearly gates  
**G#** **F#** **G#**  
right by your side, night after night

Bridge

Solo

Verse 3:

**F** **F#**  
We are the zero on a seven sided dice  
**C#** **G#**  
and the big crack in your favourite bowling ball  
**F** **F#**  
we are the barflies and the pervies in the park  
**G#** **F#** **G#**  
every night, stuck by your side

Chorus:

**C#**  
Hello and goodbye from the gutter  
**G#** **F#**  
stuck at the scene of the crime  
**C#**  
vultures among don't matter  
**G#** **F#**  
the past has gone out with the tide
