What goes around comes around G				
another touchdown of your life D E				
when everything starts thumbling	ng down			
another cruise out of your lif	е			

when everything starts falling apart

```
Chorus
Verse 2:
We are the faces on a thirteen dollar bill
and the crowâ's feet on your Friday night crusade
F#
throwbacks sneaking just outside the pearly gates
right by your side, night after night
Bridge
Solo
Verse 3:
We are the zero on a seven sided dice
and the big crack in your favourite bowling ball
we are the barflies and the pervies in the park
every night, stuck by your side
Chorus:
D
Hello and goodbye from the gutter
stuck at the scene of the crime
vultures among donâ't matter
the past has gone out with the tide
Bridge
