It sounds right, and better still if you add some heavy distortion going  
into the second verse.  
Corrections, additions, ETC (if applicable) are welcome.

[tab]**E**  
Now it s getting colder[/tab]  
[tab] **A**  
My hands chilled to the bone[/tab]  
[tab] **E**  
I watch your breath and trace it s steps[/tab]  
[tab] **A**  
as it mingles with my own[/tab]  
[tab]**E**  
Lake is almost frozen[/tab]  
[tab] **A**  
The grass is silver hair[/tab]  
[tab] **E**  
The wind is high in the blue sky[/tab]  
[tab] **E**  
I wish that I could care[/tab]

<for bridge, pound on B for 4 bars>

[tab] **E**

I recall when we were younger, [/tab]  
 [tab] **A**  
 we shared the streets of home [/tab]  
 [tab] **E**  
 spoke of our dreams and soaring schemes [/tab]  
 [tab] **A**  
 of places we would go [/tab]  
 [tab] **E**  
 If I stay around much longer [/tab]  
 [tab] **A**  
 I ll never leave again [/tab]  
 [tab] **E** **A**  
 I have to move, I cannot stay [/tab]  
 [tab] **E** **A**  
 Believe the voice that tells me leave it [/tab]

(chorus)

[tab] **E** **A** **E** **A** **E**  
 (all behind me) I know that I, I know that I am wrong [/tab]  
 [tab] **A** **E** **A** **E**  
 (all behind me) I ll never leave now, it has been too long [/tab]

<bridge>

[tab] **B B B B**  
 And... [/tab]

Now I m getting older,  
 I still can t find the words  
 To empathize with what s inside,  
 express the way I feel  
 Now I m getting older,  
 it s easier to hide,  
 To run away, don t have to stay  
 betray the voice that tells me leave it

(play chorus once, then:)

[tab] **E** **A** **E** **A** **E**  
 (all behind me) I know that I, I know that I am wrong [/tab]  
 [tab] **A** **E** **A** **E**  
 (all behind me) I ll can t escape now, it has been too long [/tab]
