There was a lot of rocking going on that night  
Cruising time for the young, bright lights  
Just down past the gasworks, by the meat factory door

**C#**

The five lamp boys were coming on strong

**G#**

**Fm**

The Saturday night city beat had already started and the  
The punks, the corner boys just sprang into action  
And young Billy watched under the yellow street light

**Fm**

And said tonight of all nights there s gonna be a fight

**G#**

**Fm**

Billy don t like it living here in this town (He Says)  
Traps have been sprung long before he was born (He Says)  
Hope bites the dust behind all the closed doors  
And pus and grime ooze from its scab-crusted sores

**C#**

There s screaming and crying in the high-rise blocks

**G#**

**Eb**
