

**I Can Pray**  
**The Booth Brothers**

[Intro]

**C Am F G C**

[Verse 1]

**C** **Fm** **C**  
You say Im not able, Im to young or Im to old  
**Fm** **C**  
I cant sing or teach, And no title do I hold  
**Am** **G**  
O lord what can I do, for I want to do my part  
**Am** **F** **G**  
And I want to help the hurting, With all of my heart.

[Chorus]

**C** **Am** **F**  
I can pray until the walls fall down, Until theres healing all around  
**G** **C** **Am**  
Thats something I can do, I can pray in my secret place  
**F** **G**  
Calling on your name, Thats something I can do  
**C**  
I can pray.

[Verse 2]

**C** **Fm** **C**  
My family shows no interest, My child is gone to far  
**C** **Fm** **C**  
Though I try my best to reach them, Their hearts just seem to be so hard  
**Am** **G**  
O, Lord what can I do ,to help bring them back to you  
**Am** **F** **G**  
My familys lost and dying, and my words do not get through.
