Intro: **G-A** x s 4

G **A** **D**
No days and nights, could brighten my life
G **A** **D**
As much as one moment with you
G **A** **D**
This is the way life seems to go
G **A** **D**
Not the way I wanted it to be
G **A** **D**
I got it wrong but it s okay
G **A** **D** **G - A**
You and I agree it s great this way

Pre-Chorus:

A **G A** **G**
I m in love with you, your in love with me
A **G A**
I haven t felt this good in years
A **D A G**
all that fear disappeared

Chorus:

G **A** **D** **A G**
And the world can go it s own way
G **A** **D** **A G**
In fact it could fade away
G **A** **D** **A G**
Yeah the world can go it s own way
G **A** **D** **A G**
In fact it could fade away
