

Letter From Iraq
The Bouncing Souls

So I decided that this song would sound cool on acoustic.
And this is how I play it. You can find a good intro on the other tabs
but none of them showed any of the rest of the song. This sounds good
to me, either with D and E as bar chords or open chords, watever u prefer. Great
song
no matter what, hopefully these chords can get u started.

Standard Tuning.

There s celebratory fire
And a purple thumb vote.
Tom cruise is on a sortie
from a gulf love boat.
Smart bombs are a coming,
See the children running.
The dead are all laughing,
But we don t get the joke.

They lost another friend today.
It s getting rough over there.
They say the whole things fucked.
I wish the boys were back.
At least I know they re still alive.
Another letter from Iraq.

Presents full of Christmas loot.
All that s left of Bullet Billy-
is a pair of bloody boots.
His mom is on the phone,
His girl is all alone.
We all stand in the rain
for a twenty-one gun salute.
