Verse

C **C/B** **D**
Just like a sunny day can turn all dark and gray

G
This game goes on and on

C **C/B** **D** **G**
Out on the streets, broken dreams they come so cheap

But no one can leave me for dead
Cuz I got one good fight left in me tonight
And the most beautiful girl in my head

C **G** **F**
Sometimes she comes to me in a song

C **G** **F**
sometimes she comes in a dream

C **D** **F** **C** **F** **G**
She s all the joy in my heart, she s everything that I see

Days they come and days go by
Sometimes we fight and I don t know why
I ll give it all up to her

Everything I did and said
I ve got all i want now in my sight
And the most beautiful girl in my head

Sometimes she comes to me in a song
Sometimes she comes in a dream
Shes all the joy in my heart, she s everything that I see

When we re together,
there is no time, there is no space
When we re together
Everything is in it s place

Turn myself inside out for her
My endless love is without form

Let my heart be the light that guides her through the storm

C F G

Tomorrow s a lifetime away

She s all I want today

When he repeats today at the end it goes **C** to **F**
