G# **Eb**
Every time I think of you
F# **F** **Ebm**
I get a little bit blue
 Eb **G#**
It happens every time
G# **Eb**
Photographs, souvenirs
F# **F** **Ebm**
Remind me of those happy years
 Eb **G#**
It happens every time.

G#7
Just when I think Iâ€™ve got you outta my mind
F# **C#** **C** **G#**
 G
Some old memory comes along, and spoils it every time.

G# **Eb**
Every time I hear your name
F# **F** **Ebm**
I feel a dreadful pain
 Eb **G#**
It happens every time
G# **Eb**
Our old friends, who make me blue
F# **F** **Ebm**
They keep reminding me of you
 Eb **G#**
It happens every time.

Times I see you walking down the street

Now if the crowds would disappear

F# **F** **Bbm**

And I just can't hold back my tears

It happens every time

Every time I see you, I have a strong attack

Every time I see you, I long to have you back, every time.
