A **E** **G** **F#**
Bm **E** **A**

A **E**
Every time I think of you
G **F#** **Bm**
I get a little bit blue
 E **A**
It happens every time
A **E**
Photographs, souvenirs
G **F#** **Bm**
Remind me of those happy years
 E **A**
It happens every time.

A7
Just when I think Iâ€™ve got you outta my mind
G **D** **C#** **A**
 G#
Some old memory comes along, and spoils it every time.

A **E**
Every time I hear your name
G **F#** **Bm**
I feel a dreadful pain
 E **A**
It happens every time
A **E**
Our old friends, who make me blue
G **F#** **Bm**
They keep reminding me of you
 E **A**
It happens every time.

CHORUS

INTRO

A **E**
Times I see you walking down the street

G **F#** **Bm**
And my heart falls to my feet

E **A**
It happens every time

A **E**
Now if the crowds would disappear

G **F#** **Bm**
And I just can't hold back my tears
E **A**

It happens every time

A7
Every time I see you, I have a strong attack

G **D** **C#** **A**
G#

Every time I see you, I long to have you back, every time.
