

Diamonds

The Boxer Rebellion

Gm **F/Dm**
Pretty little thing did you feel something
C
Did you always want me to be something
Gm
To mend a broken a heart
F/Dm
From a Devil of shallow nonsense
C
Turned your world upside down

Whatever said that it d mean something
Whatever said that it d mean nothing
And did I look the part
When it s all said and done
When it s all said and done

Bb **F**
I m no good next to Diamonds
C
When I m too close to start to fade
Are you angry with me now
Bb
Are you angry cause I m to blame

F
I m no good next to Diamonds
C
When I m too close to start to fade
Are you angry with me now
Gm
Are you angry cause I m to blame

Never wanna hide the truth from you
Just hang my head what I put you through
I wasn t good enough
When what s done is done love
When it s all said and done

But I m

No good next to Diamonds
When I m too close to start to fade
Are you angry with me now
Are you angry cause I m to blame

Cause I fall away

Further than I ever was
Further than I ever was
Further than I ever was
Further than I ever was
Further than I ever was

I m no good next to Diamonds
When I m too close to start to fade
Are you angry with me now
Are you angry cause I m to blame

I m no good next to Diamonds
When I m too close to start to fade
Are you angry with me now
Are you angry cause I m to blame

Cause I fall away
Further than I ever was
Further than I ever was
Further than I ever was
Further than I ever was
Further than I ever was
Further than I ever was

I have no words
