The Boxer Rebellion

D

D Dmaj7 G D Em Em7 A
Moving as an unknown too for giving*
D Dmaj7 G D Em Em7 A
No one left to bother when I re- build it

Bm A G A
There is nothing in between
Bm A G A
Born unraveled at the seams
Bm A G A
Lost where others seem to be
Em G E G D
The first horizon wakes with me underneath

D Dmaj7 G D Em Em7 A
I ve seen all directions, it seems un- certain
D Dmaj7 G D Em Em7 A
Another world, in another world the past un- spoken

Bm A G A
There is nothing in between
Bm A G A
Born unraveled at the seams
Bm A G A
Lost where others seem to be
Em G E G D
The first horizon wakes with me underneath

Am

As quick as the hope I was living on
As quick as the hope I was living on

D

It s gone, gone, gone, gone

Am

As quick as the hope I was living on
As quick as the hope I was living on

D

It s gone, gone, gone, gone

Am

As quick as the hope I was living on

G

As quick as the hope I was living on
