Tabbed by Rob Leyland (flammydragon@hotmail.com)

Intro: Hold G chord and play bottom and top string alternately 6 times starting and ending on the bass note.

G **Em**
As sweet as a plum

C **G**
And lovely as dawn

C **G** **D**
Rolling its tongue over its gums

G **Em**
Like tiger and me

C **G**
As happy as could be

C **D**
Sat out on the porch

Bm **C**
As the whole of the sky
Am **D**
Clouds quietly over

Bm **C**
And it starts to cry

Am **D**
Softly on my shoulder

Am **D**
We don't want to grow up

Am **D**
But we have to grow up

G **Em**
As sad as I am

C **G**
I do understand

C **G**
I do understand,

D
It just makes me sad

G **Em**
My tiger my heart

C **G**
We re growing apart

C **D**
We re trying to be friends

Bm **C**
But it s hard sometimes

Am **D**
To be friends with something

Bm **C**
That eats butterflies

Am **D**
And pencil sharpeners

Am **D**
And i think it would be

Am **D**
Happier being free

G **Em**
My tiger my friend

C **G**
My little godsend

C **G** **D**
I know someday we ll be happy again

Lovely little song about growing up, best played on a steel string acoustic.
