Sleeping With A Gun Under M Pillow The Boy Least Likely To

Sleeping With A Gun Under My Pillow

By: The Boy Least Likely To

From the album: The Best Party Ever

Very James Bond-ish name, but doesnt sounds very James Bond-y at all. They re playing in some open blues tuning with a slide, but I m just gonna tab it out in Standard Tuning for one acoustic guitar. Still sounds good if you play along with the song.
Use barre chords though.

Dm G

Pushing through the topsoil

C F

Blinking in the light

Dm G C

Shielding my eyes from the molten sun

Dm G C E

I just wish I could see the world sometimes

Dm G C Bb

As I saw it when I was young

F G

Sleeping with a gun

Sleeping with a gun

F G A

Sleeping with a gun under my pillow

F G

Sleeping with a gun

Em Am

Sleeping with a gun

F G A

Sleeping with a gun under my pillow
