(verse 1)

B **G#m** **E**
True love lasts long, longer then summer

B **G#m** **E**
Cause my heart beats black, cause I know its over

F# **G#m**
My own mother she tells me

E
Good things come to those who will wait for them

F# **G#m**
My friends they tell me

E
not to walk away when I do

(Chorus)

B **E** **G#m**
So back down love, this is downtown now

E
And this is the way that I roll

B **E** **G#m** **E** **E**
With my hands out in front of yours, my heartâ€™s exposed

G#m **E** **B** **E** **G#m**
And my pulse is racing faster then you could ever know

F# B E

And with my heart exposed, I am on my way down

(verse 2)

B G#m E

True love lasts longer then I ever do

B G#m E

Cause your hands are tied cause Iâ€™m never sober

F# G#m

My own father he tells me

E

not to trust people like I do

F# G#m

My friends they tell me

E

not to walk away like I do

(Bridge)

E F# G#m

Iâ€™ve lost all my faith, and all of my deepest beliefs

E F# G#m F#

And its so hard to find any truth in any of your lies

E F# G#m

And I lost all that, I once ever had

But I found something, that I never did
