

Rites Of Spring
The Bravery

Hello! I hope you enjoy what it took me quite a while to figure out. But my hard work is to your benefit. So I hope you enjoy this and it helps you out alot. And thats all I to say.

This first part was originally made for keyboard, but I like it more on Guitar so here it is.

```

e-----9-12-----|
b-----12---13---12---14-----12--10---10-----|
g-11-14-11---11---11---11---9--9--9---9---11-----|
d-----|
a-----|
e-----|

```

x5

After one time of that the other guitar comes in with this.

```

e-----9--9--9--9--9--9--9--9-----|
b-10-10-10-10-10-10-10-10--10-10-10-10-10-10-10-----|
g-11-11-11-11-11-11-11-11-----|
d-----|
line.....
a-----|
e-----|

```

Continued on next

```

e-9-9-9-9-9-9-9-----|
b-9-9-9-9-9-9-9--9-9-9-9-9-9-9-----|
g-9-9-9-9-9-9-9--8-8-8-8-8-8-8-----|
d-----|
a-----|
e-----|

```

x8

The the pre-chorus comes next.

```

e-----15---15---15---15-----|
b---15---15-----15---15---|
g-12---12---12---12---12---12---12---12-----|
d-----|
line.....
a-----|
e-----|

```

Continued on next

```

e-----14---14---14---14-----|
b---14---14-----14---14---|

```

```

g-11----11----11----11----11----11----11----11-----|
d-----|
a-----|
e-----|

```

Then the chorus comes next.

```

e-----9-12-----|
b-----12---13---12---14-----12--10--10-----|
g-11-14-11---11---11---11---9--9--9--9--11-----|
d-----|
a-----|
e-----|

```

x4

and during that the other guitar plays.

```

e-----9--9--9--9--9--9--9--9-----|
b-10-10-10-10-10-10-10-10--10-10-10-10-10-10-10-----|
g-11-11-11-11-11-11-11-11-----|
d-----|
line.....
a-----|
e-----|

```

Continued on next

```

e-9-9-9-9-9-9-9-9-----|
b-9-9-9-9-9-9-9-9--9-9-9-9-9-9-9-9-----|
g-9-9-9-9-9-9-9-9--8-8-8-8-8-8-8-8-----|
d-----|
a-----|
e-----|

```

Then it repeats like that until the solo, which comes after the 2nd chorus. And it goes like this.

Keep in mind he is doing really fast strokes.

```

e-----|
b-----12-----|
g-14--13--11-13-11-----14----13-14-11-12-11-----|
d-----14-----14---|
a-----|
e-----|

```

Continued on next

```

e-----|
b---14---14---17---17---14---14---17---17---|
g-14---14---14---14---14---14---14---14---|
d-----|
a-----|
e-----|

```

Continued on next

```

e-----12-----|
b---12---12---14-----14---12-----|

```

g-13---13---13---13---13---13-----|
d-----|
a-----|
e-----|

Continued on next line.....

e-----9-9-9-9-|
b-----|
g-11b-9-----|
d-----11---11---9-----|
a-----|
e-----|

And Thats the solo.

Now comes the bridge.

Its originally for keyboard but, as you know I think everything sounds better on guitar.

e-----|
b-----|
g-----|
d-----|
a-0-2-----0--0-2-----2-----|
e-----2-2-0-2-----0-0-2-0-2-0-----|

x1

And that continues through the chorus to finish up the song.

So there you are thats all, and have a good time playing Rites of Spring.
