Tuning: Standard

I tried to get the lyrics, these probably aren't all right...

A

come and play folks
you're welcome here

.....

ladies & Gentlemen
children
old folk
you're welcome with us

E

not since the glory days of rome i tell ya has man kind known

A

such valiant(?) mysteries
intrigued(?)
and if you- if you start to get scared
don't be worried folks
we're right here beside you
take your most fabulous journey
inside your head

E

well tickets please
we're ready to take off(?)

A

All around you
(all around you) D

A

everywhere
(it's everywhere, everywhere) D

A

it surrounds you
(it surrounds you without you and within you) D

E

the love we share
(that's right good old fashioned love folks)

A

like i said, if you get scared don t be worried
we re just an arms reach away
you know, we spared no expense to bring you the very finest in entertainment

E

sure you can smoke!
so sit back and i ll pour you a drink

A

you know, a lot of people are afraid of the unknown
but we know you re the sort of, well sort of thrill seeker, that s not afraid of
anything
you will be richly rewarded for your courageousness

E

so come on in
here we go again

A

its a secret
(its a secret i tell ya) D

A

for everyone
(its for everyone hahahaha) D

A

if you listen
(listen up, here comes the best part) D

E

we ll give you some
(we re given it to ya absolutely free! hahaha!) D

A

all you wanted
(hahaha!) D

A

what you need
(we ve got everything you need) D

A

will be given
(we re given it to ya so what are you waiting for) D

E

without greed
(we haven t the greediest bone in our body) D

A

there s something i forgot
if you re going on a trip you re gonna need some supplies if you know what i
mean
we only brought enough for ourselves
oh wait a second
what s this right here

E

oh this ll do
here we go again hahahaha

A

the beginning
 (the beginning of everything) D
A
 and the end
 (mumbles...) D
A
 alltogether
 (we re all together, let me here ya sing it) D
E
 with out friends
 (with our friends...screaming good time...) D
A
 all around you
 (its a secret and you know what) D
A
 everywhere
 (listen up im gonna tell you this one more time) D
A
 it surrounds you
 (listen up cause here i come!) D
E
 the love we share
 (im gonna im gonna...) D
A
 its a secret
 (hahaha) D
A
 in your ear
 (hahaha) D
A
 if you listen
 (...) D
A
 you will hear
 (yeah yeah yeah...) D

wow...
 what do you say we start the show

the picking through out the song...

```

e|-----|
B|-2-3-5-10-10--10-12-10--10-12-10-10-12-10--10-5-3-2-----|
G|-----|
D|-----|
A|-----|
E|-----|
  
```

repeat a few times...
 i think the whole song just hangs around this string
