Arkansas Revisited

Iâ€™m going back to Arkansas|. .
Gotâ€™ta kill my Maw and Paw|
Iâ€™m goneâ€™na kill my Mom and Dad|
Because they made my life so sad|
I run so fast all night and day|
They haunt my soul in evil ways|
I donâ€™t care what the law might do|
Hope your folks are good to you|

I stole my neighborâ€™s pickup truckâ€¦			
And took his daughter for good luckâ€¦			
I spend all my dough on a gunâ€¦			
Liquored up to have some funâ€¦			
I drink all night and I feel real fineâ€¦			
Cause I rollâ€™in past that old state lineâ€¦			
Driveâ€™in round all night and dayâ€¦			
Just to show hey on his wayâ€¦

I pull on down the streets of townâ€¦		
â€¦d love to burn the fucker downâ€¦		
And down the road all the wayâ€¦		
Drove right past my brother Heyâ€¦		
Iâ€™m running up the law at nightâ€¦		
They can see me thereâ€™s no lightâ€¦		
Jamb in the door and then I sayâ€¦		
Brace yourself for judgment dayâ€¦

Going back to Arkansasâ€|
Buryâ€™in my Maw and Pawâ€|
And then Iâ€™m goâ€™in far awayâ€|
For where Iâ€™m going I wonâ€™t sayâ€|
Cause I donâ€™t know just where Iâ€™ll runâ€|
I guess Iâ€™ll follow hellâ€™s sonâ€|
Maybe north of Mexicoâ€|
For I ainâ€™t sayâ€™in where Iâ€™ll goâ€|
I had to kill my Mow and Dadâ€|
Because they beat me up real badâ€|
My Daddy beat me every dayâ€|
For what I done he wouldâ€™nt sayâ€|
Leather strap across my backâ€|
Watch my eyes all rollâ€™in backâ€|
(This all the same verse as the other page)

Ahh wee get umm so tehh mehh whahhhâ€|.
