

**I Love You Always**  
**The Brian Jonestown Massacre**

Artist: Brian Jonestown Massacre

Album: Bravery, Repetition and Noise (2001)

Written by Anton Newcombe, sung by Jeff Davies (his only vocal contribution to BJM), and oddly, mixed by Courtney Taylor-Taylor of the Dandy Warhols.

This is my first tab so be nice!

Basic structure, verse, verse, chorus, verse, chorus.

The Dm in the chorus i m unsure on, it s definitely some kind of D but it s tricky.

NOTE: The online software messes up the placement of the chords but if you get the rhythm right, you ll know when to come in.

**C**

I ll love you

**Am**

No matter what you may do

**C**

I ll always

**Am**

Be the one for you

**F**

My love will never change

**G**

For always

Ever in this way

I ll never

Be the one to say

I have had enough

Because I am in love

Always

**C7**

**F**

**Dm**

Grace my days with your light

**G**

Even when it dims your spirit shining bright

Love that I give to you has no greed

Don t apologise

Can t you see

Don t want to change you

Just want you to be

Everything we see

What you want to be

It s easy

Grace my day with your light

Even when it dims it still is shining bright

Gave me something that I need

The love that I give to you

All comes back to me
