[Verse]

F# C#
if i thought i knew the reason

E
why i ve gone and fallen

B A
in love with you
you re the one thing i believe in
and i know quite well
what i ve got to do
first you say it s ok
then you say there s no way
then i m making love to you!
you re the one thing i believe in
and know it s time cause i ve
got to tell you
my love

is
like a flower
daisies
are
always free.

pulling out
the petals

i
wonder,
if you
love me?
love.

love me,
love me!

if i thought i knew the reason
why i ve gone and fallen
in love with you
you re the one thing i believe in
and i know it s time because i ve
got to tell you
first you say it s ok
then you say there s no way
then i m making love to you!
you re the one thing i believe in
and
i ll get my way
or

i m going to kill you
