[Verse]

F# C#
if i thought i knew the reason

E
why i ve gone and fallen

B A
in love with you
you re the one thing i believe in
and i know quite well
what i ve got to do
first you say it s ok
then you say there s no way
then i m making love to you!
you re the one thing i believe in
and know it s time cause i ve
got to tell you

my love

is

like a flower

daisies

are

always free.

pulling out

the petals

i

wonder,

if you

love me?

love.

love me,

love me!

if i thought i knew the reason

why i ve gone and fallen

in love with you

you re the one thing i believe in

and i know it s time because i ve

got to tell you

first you say it s ok

then you say there s no way

then i m making love to you!

you re the one thing i believe in

and

i ll get my way

or

i m going to kill you
