

Expression

The Bridgeheads

F,G,Ami,C ..throughout the whole song

glass house
of black glass
it's broken all
in the atomic storm
of black hearts
landslides
they never had much of a chance

he knew it all
he sat in the first row
stuck on tube
no chance to move

a promise that you made
every time you promised me

a promise that you made

with tough guys
in sports cars
they're under age
in a fit of rage
it's the wrong place
and the wrong time
and everyone
with everyone

he saw it all
he sat in the first row
stuck on tube
next to you

a promise that you made
every time you promised me

a promise that you made

they don't know how hard it was
for you and me growing up

they don't know how hard it was

you don't know
you don't want to know
