Ship Of Fools
The Briggs

Artist: The Briggs
Song: Ship Of Fools
Album: Come All You Madmen (2008)

The chords are played as power chords.

Intro: **B G# F# E F# G#** (let ring)

Verse:

I look around and I see nothing but the dead.
```
                                                 F#    G  G#
```
Thought they were angels but there s nothing above their heads.

The real world came crashing through the door,
```
                                        F#
```
who d knew we d become the children of war.

Pre-Chorus:

```
  B          Em           F#
```
Thrown into a holding cell
```
    B          Em         F#
```
a waiting room for heaven or hell.
```
     B         D#                    E
```
We tried to make mice out of men.
```
          F#
```
We only strengthened the ones we sought to contend.

Chorus:

```
  B                              G#
```
Ship of fools, all aboard the ship of fools.
```
    F#            E                    B
```
We blindly follow all the rules on the ship of fools.
```
                 G#
```
All aboard the ship of fools.
```
          F#                  E
```
If we re always compassionate,
```
        F#                         G#
```
how are we supposed to turn a profit?

Verse:

```
Poisoned words spew from poisoned tongues.
                                                     F# G G#
We have the answer but have to convert the young.

Dying is the best way to make a living.
                                         F#
Works for us don t think of it as giving in.

Pre-Chorus:

        B              Em          F#
Well ready, set, here s the fun.
   B                Em                F#
Punch the clock and grab yourself a gun.
             B         D#       E
This will be our finest hour
        F#
as we stumble around drunk with power.

Chorus:

  B                               G#
Ship of fools, all aboard the ship of fools.
    F#                  E                        B
We blindly follow all the rules on the ship of fools.
               G#
All aboard the ship of fools.
         F#                         E
In the depths of the deep blue sea,
             F#
you re going over the side if I find you disagree.

Instrumental Part: C# E B F#

Repeat Pre-Chorus

Repeat Chorus 2x

End On B
```
