Ship Of Fools
The Briggs

Artist: The Briggs
Song: Ship Of Fools
Album: Come All You Madmen (2008)

The chords are played as power chords.

Intro: **C# Bb G# F# G# Bb** (let ring)

Verse:

I look around and I see nothing but the dead.
```
                                                  G#    A   Bb
```
Thought they were angels but there s nothing above their heads.

The real world came crashing through the door,
```
                                        G#
```
who d knew we d become the children of war.

Pre-Chorus:

```
  C#          F#m          G#
```
Thrown into a holding cell
```
   C#          F#m         G#
```
a waiting room for heaven or hell.
```
    C#          F                   F#
```
We tried to make mice out of men.
```
        G#
```
We only strengthened the ones we sought to contend.

Chorus:

```
 C#                              Bb
```
Ship of fools, all aboard the ship of fools.
```
   G#            F#                     C#
```
We blindly follow all the rules on the ship of fools.
```
              Bb
```
All aboard the ship of fools.
```
       G#                 F#
```
If we re always compassionate,
```
     G#                        Bb
```
how are we supposed to turn a profit?

Verse:

```
Poisoned words spew from poisoned tongues.
                                          G# A Bb
We have the answer but have to convert the young.

Dying is the best way to make a living.
                                      G#
Works for us don t think of it as giving in.

Pre-Chorus:

        C#          F#m        G#
Well ready, set, here s the fun.
  C#            F#m            G#
Punch the clock and grab yourself a gun.
        C#        F    F#
This will be our finest hour
      G#
as we stumble around drunk with power.

Chorus:

 C#                           Bb
Ship of fools, all aboard the ship of fools.
   G#            F#                  C#
We blindly follow all the rules on the ship of fools.
            Bb
All aboard the ship of fools.
      G#                    F#
In the depths of the deep blue sea,
          G#
you re going over the side if I find you disagree.

Instrumental Part: Eb F# C# G#

Repeat Pre-Chorus

Repeat Chorus 2x

End On B
```
